STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

S I R:

This Statement of the Substance of the Interview is being filed, in reference to the interview with Examiner Tamra Dicus and Bruce Hess, on February 4, 2005. Applicant would like to thank Examiner Tamra Dicus and Bruce Hess for their helpful and courteous discussion held with Applicant's representative on February 4, 2005. During the interview, Applicant and Examiners discussed claims 1-67 and prior art *Shields*. The Applicant argued that *Shields* does not teach another printed image in the shape of an identical image and this is the novelty of the invention. The Examiner agreed to withdraw the rejection, once Applicant presents the argument in writing, which Applicant filed on February 23, 2005.

Respectfully submitted,
